Ages 14-18

Day Camp \$4,550

Residential \$5,950

Find the college environment where you can thrive

Experience different types of U.S. universities across Boston. Through guided campus visits, admissions activities, and personal reflection, students discover what they want from college and build a practical plan for their next steps.

Compare campuses

See how academics, culture and student life differ.

Practice the search

Meet university representatives at a simulated college fair.

Build your plan

Turn every experience into a personal College Playbook.
