Day Camp \$4,550

Residential \$5,950

From personal strengths to future possibilities

Students connect leadership development with faculty-led career exploration, then see how Disney applies leadership and teamwork in the real world. The experience culminates in a team leadership case study and a personal leadership plan.

Leadership Development

Identify your leadership style,
values and strengths through
interactive learning at UCF.

Career Exploration

Explore potential majors and
careers through faculty
seminars, professional insights
and site visits.

Disney in Practice

Experience leadership at EPCOT
and teamwork at Disney's
Hollywood Studios.
